

## WPI London Project Centre Preparation Assessment Form

This form is intended to give each student the chance to provide us with useful feedback on the project preparation done this term. Your responses will be kept confidential—we will not share them with your partners, liaisons, etc. We will also not “hold anything against you”. We are relying on your honest inputs to help us do what we can to make the rest of your project experience as successful as possible. **Please return this form to Profs. Demetry or Vaz by Thursday, March 2.** Thanks.
