Lowest satisfaction among Associate tenured professors, FoC, Asian and URM

Recommendations for additional inquiry and action planning

- Investigate retirement benefits
 - FAP to FBC for analysis and recommendations
- Explore relative dissatisfaction in particular departments*
 - Identify root causes of dissatisfaction in BBT, CBC, HUA
- Continue improving tenure and promotion systems*
 - o Identify root causes of dissatisfaction with Tenure, especially among FOC, Asian, URM faculty
 - o Identify root causes of dissatisfaction with Promotion to Full, especially among FOC, URM faculty
- Explore differences by rank*
 - Identify root causes of dissatisfaction w/ leadership and governance among Associate Professors

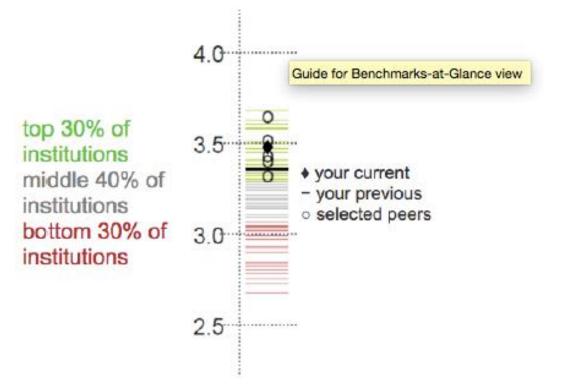

*Recommended mechanism: Fellows working with depts, CTAF, COAP, Provost

Recommendations to leverage strengths

- Identify and lessen remaining barriers for interdisciplinary work, enhance opportunities
- Create uniform communication strategy for faculty recruitment to "brand" WPI faculty experience with our strengths (mentoring, collaboration, faculty leadership)
