**Step One:** Choose an industry role: \_\_\_\_\_

**Step Two:** Decide on which activity you will be using to present your desk:  
\_\_\_\_\_

**Step Three:** Outline your activity on the back of this paper.

- ★ What tools do you need to complete this activity?
- ★ Identify four problems and solutions to promote in your project.
- ★ Complete a DRAFT of a script you will read from, or a sketch of what you imagine your promotion to look like.

**Step Four:** See your teacher when you have thoroughly completed all of these steps. You **WILL NOT** be provided with any materials until your ideas/drafts have been approved.
