

IT Open House for Faculty

Featuring information tables and short sessions on tools for teaching, learning and research.

A photograph of two people in an office cubicle. On the left, a man with glasses wearing a maroon polo shirt is smiling. On the right, a woman in a bright yellow long-sleeved top is leaning against a cubicle wall, also smiling. The cubicle has a desk with a computer monitor, a printer, and a name tag that says "Jesy Caron". There are plants on a shelf above the desk.

See the Gordon Library's newly renovated spaces, including Archives, Collections Management and the ATC's Technology for Teaching and Learning Team!

A photograph showing a person sitting at a desk with multiple computer monitors, working. To the right of the person, a large professional video camera is mounted on a tripod, pointing towards the workstation. The scene is dimly lit, focusing on the workstation and the camera.
