

To access the assignments you must be registered with Mastering Physics®. Registering is easy, just follow these simple steps:

- 1) If you have registered within the last year, your registration should still be valid. Skip to step (3).
- 2) If you are new to Mastering Physics®, go to website [Mastering Physics®](#), click on “New Student” and follow the instructions.

If you acquired a new textbook, you can also follow the instructions that came with it to register. You will need the six-word access code. If you have any problems, contact the website’s help support. For your information, WPI’s zip code is 01609.

If you acquired a used text, you will need to purchase your own Mastering Physics account (price is \$44.50 as of Oct 08). The Mastering Physics student license agreement states that student accounts are non-transferable. To purchase a new account, see step 2 above. ~~you will need to get the username and password of the previous owner. Before login, Select “View Your Account Summary”, enter the old username and password, click on “Edit Account Information”, make changes to name, username, and password, then click on “Save”.~~

It is necessary that your name appear on the Mastering Physics® roster exactly as it appears on the WPI Registrar class list for PH1140 Term B 2008 in order for you to receive credit for the homework properly. After you have registered, you will be able to login at any time using the username and password you have chosen.

- 3) At your first login, you will be asked to enter the Course ID. For PH1140 B2008 Oscillations and Waves, use Course ID: **MPDICK26860**.
