

Designs: Course Tracker Form

This Course Tracker Form will help you navigate through *Designs: First Steps in Creating Your Academic Experience at WPI*. Below are your course options for each term. You will add your course selections to your Course Tracker as you move step by step throughout the website. You will register for **three** courses per term for A and B terms that are worth 1/3 credit unit each. Physical Education and Military Science courses are **in addition** to the **three** courses per term. This will prepare you in registering for your courses online.

Deadline for Web Registration is July 1, 2011 (Begins May 16)

Student ID Number: _____ **Pin:** _____

Abbreviation Key for Course Tracker:

- **GPS** = Great Problems Seminar
- **HU** = Humanities Course
- **SS** = Social Science Course
- **BB** = Biology Course
- PH** = Physics Course
- CH** = Chemistry Course

-Any courses marked with an asterisk (*) are optional programs

-**Please Note:** The Great Problems Seminars are **each** a two term sequence course. They are also **linked**. This means that when registering for a GPS course in A term, you must register for it's second half in B term. You will need to select two other courses along with the Seminar per term. Once you have completed this form, and have followed all the steps within *Designs*, you may register with the Web Information System.
