The Summer Academic Success Program is a six-week pass/fail course offered in E1 Term for students who have struggled academically throughout the course of the year. Participation in the Summer Academic Success Program offers students an opportunity to move up one academic standing level. The course covers academic and self-management skills.

**Criteria to Move Up in Academic Standing**

- You are on Academic Warning or Academic Probation following D term. Students who have been Academically Suspended are not eligible for the course.
- You have passed at least two units of work (excluding Physical Education and ROTC courses) during A-D terms of the preceding academic year to the Summer Academic Success Program.
- You pass ID 1000: Summer Academic Success Program as well as two WPI courses that are each worth 1/3 unit over the course of the summer.
- You have not previously received a passing grade in ID 1000: Summer Academic Success Program.
- Students who are in Good Academic Standing are able to take the course to get the experience but are not eligible to move up in standing.
