

WPI CENTENNIAL WALKWAY

Wearing beanies, crossing Earle Bridge as freshmen, the Two Towers, the freshman-sophomore rope pull, the Goat's Head Rivalry...these are just a few of the many traditions experienced by students during their time at WPI.

In the spring, the graduating class will enjoy the festivities of Senior Week, Senior Convocation and finally, the march across Earle Bridge to Commencement. It is this sense of tradition that largely defines the undergraduate experience at WPI.

The Centennial Walkway on the Quad was dedicated in 1991 and a new tradition was established. Students, alumni, faculty and staff can become part of WPI's history by having an engraved brick placed in the walkway. The names of those who walked the campus before them will inspire future generations.

Join the over 6,000 alumni, students, faculty and staff who already have their bricks on the WPI Centennial Walkway.

To assure placement in the Walkway by Commencement next May, orders must be received by February 15.

Please fill out both sides of this form completely. Make sure that your engraving information is spelled correctly and that it fits the 20 characters available per line. NOTE: Your name and class may be split between two lines, if necessary.

Examples: John Smith '08
will fit on one line.

Mary Jones Patterson '87
will be engraved on two lines.
