

Honor Roll of Donors 2009 | President's Circle

The President's Circle recognizes and honors alumni, parents, and friends committed to investing in the future of WPI at a leadership level of \$2,000 or more in annual giving. Today, nearly 400 President's Circle members provide the critical resources necessary each year to advance the mission of WPI. An investment at the President's Circle level enables the university to implement curricular innovations, keep the WPI Plan on the cutting edge, and create more opportunities for our deserving students to discover, achieve, and lead.
