OBJECTIVE Summer Internship in management, focusing on database development

EDUCATION **Worcester Polytechnic Institute, Worcester MA**
Bachelor of Science in Management Information Systems May 2009
GPA: 3.0/4.0

PROJECTS **Interactive Qualifying Project: Stock Market Simulation** August – October 2007
Worked in interdisciplinary team of two and implemented investment strategies in fictitious stock market. Analyzed results to make recommendations on buying, selling, and holding initiatives.

Systems Analysis and Design March – May 2008
Created database prototype to manage tire inventory, customer contact information, and employee sales for tire manufacturing company. Developed item relationships. Designed queries and forms to funnel information into working reports using Access.

RELATED EXPERIENCE **Intern, Implementation Group** June – August 2008
MEDITECH, Westwood MA
Learned the implementation process of a health care information system. Delivered code for applications to hospital clients meeting specific deadlines. Configured applications for in-house and tests hospital sites. Moved numerous hospital databases to live sites

Student Assistant, Management Department August 2007 – May 2008
WPI, Worcester MA
Researched the international experience of public companies' directors. Collected data from various sources such as LexisNexis, Marquis and proxy filings. Evaluated each individual experience based on available data.

LEADERSHIP EXPERIENCE **Phi Sigma Kappa, WPI** Fall 2006 - Present
Chaplain (January 2007 – December 2007): Organized all historical ceremonies. Insured new members learn values and ideals of sisterhood by facilitating team building activities.

VOLUNTEER EXPERIENCE **Big Brothers Big Sisters, Elm Park Elementary School, Worcester MA** 2006 –Present
Rodman Ride for Kids, Foxboro MA Fall 2008
Relay for Life, Worcester MA Spring 2007

TECHNICAL SKILLS **Microsoft Office:** Access, Excel, FrontPage, PowerPoint, Publisher, Visio, Word
Adobe: Pagemaker, Photoshop, Premiere
Maple, Quark, Quicken, SAS, SQL, Visual Basic

PROFESSIONAL ASSOCIATIONS **Association for Information Management** 2007 – Present
Management Information Systems Association, WPI 2007 – Present
