Technology Orientation

Monday, August 24, 10-11:30am, Anderson Lab B, Gordon Library 1st Floor

This orientation addresses computer accounts and passwords and provides an overview of IT services. (Identical orientation sessions were held on August 10, 17, and 18.)

Library & Academic Technology Center's Technology for Teaching & Learning Open House

Tuesday, September 1, 12-5pm, Gordon Library Entry Level

Additional information will be sent by email.

Workshop on the Grants Application Process*

Wednesday, September 9, 12-2pm, Higgins House, Great Hall

Presented by the Office of Sponsored Programs.

Early Career Faculty Networking Luncheon*

Thursday, October 1, 12-1pm, Campus Center, Chairman's Room

Reconnect with colleagues you met at NFO. This will be an informal gathering associated with the New Faculty Mentoring Program, but all new faculty are welcome to attend.

Course Planning Workshop

Tuesday, October 20, 10am-noon, Campus Center, Taylor Room

Scheduled during the A-B term break, this session will be especially helpful for those teaching a course for the first time in B-term or C-term. Participants will be asked to bring a draft syllabus. Using a listing of possible syllabus elements, example syllabi, and group discussion, each participant will identify possible refinements in their course plan. We will also generate and/or refine plans for the first day of class.

Early Career Faculty Networking Luncheon*

Tuesday, December 1, 12-1pm, Campus Center, Chairman's Room

This will be an informal gathering associated with the New Faculty Mentoring Program, but all new faculty are welcome to attend.

(CONTINUED ON REVERSE SIDE)

* Lunch will be served at these sessions. Registration is often requested for meal planning purposes; watch your email for the announcement and registration link.
