

SUMMER APPLICATION FOR STUDENT LOANS INFORMATION, APPLICATION AND INSTRUCTIONS

The completed form needs to be mailed to:

WPI Financial Aid Processing Center
P.O. Box 850
Randolph, MA 02368

Financial assistance for Summer Terms is limited to Federal Direct Stafford and PLUS Loans and private auxiliary loans. The Office of Financial Aid does not offer traditional WPI need or merit based scholarship, or loan (Perkins or Institute) assistance for Term E. It is important to remember that Federal Direct Stafford Loan funds borrowed to cover Term E costs will be deducted from the student's loan eligibility for the following year. (Ex. If you are going into your junior year and borrow \$3,500 to cover Term E costs, your remaining Stafford Loan eligibility for the following Terms A-D will be \$2,000 for a total loan of \$5,500 for the year.) Any private loans borrowed will not impact your loan eligibility for the following year.

In an attempt to give you the best options for your situation, please complete the following **Information Sheet for Summer Loans** and submit it to the WPI Office of Financial Aid at least two weeks prior to the beginning of your summer studies.

If you are using any part of the loan proceeds to cover living and transportation expenses at an off-site project center and you need a refund prior to leaving for that project center, this form must be received and you must complete the appropriate loan application by **March 15th** in order to ensure timely delivery of the funds. Applications received after that date will be processed, however, we cannot guarantee that the loan funds will arrive before the start of the term.

Please note, this form is not an application for a private student or parent loan. If you wish to apply for a private student or parent loan, please refer to our website <http://www.wpi.edu/Admin/FA/retgradlinks.html>. Loan applications must be processed through the lender and you must be approved by the lender before funds will be available to the school. We do need the information on the Information Sheet for Summer Loans completed so we can certify any approved private loans but completing this form is not applying for any private loan.

Once your application has been received it will be reviewed for eligibility.

If you have not completed a Free Application for Federal Student Aid (FAFSA) for the up-coming year, you must do so in order to apply for a Federal Direct Stafford Loan.
