

**C 2012 - AR 2202 Figure Drawing** (J. Reinhardt)

The focus of this course is in study of representational figure drawing. This course will cover drawing techniques, applied to study from a live model. Topics covered will be sight size measurement, study of form and light, copying from master drawings and applying these lessons to weekly sessions with a live model. Each class will feature a demonstration on the topic followed by individual critique and study.
