

From the Right Side

Stardust, M. T. Krašek, 1999.

In *Stardust* we see harmony between light and dark, large and small, near and far, motion and rest. Matjuska Teja Krašek is a freelance artist who lives and works in Ljubljana, Slovenia. Her works in acrylic on canvas are seen in exhibitions around the world and several are permanently displayed at the University of Ljubljana, where Teja regularly attends mathematics seminars. Some of her graphics can be viewed at <http://mitpress.mit.edu/e-journals/Leonardo/gallery/gallery331/homageescher.htm>
