

Request for Confidentiality

Office of the Registrar
100 Institute Road, Worcester, MA 01609
Ph: (508)-831-5211
Fax: (508)-831-5931

Under the provisions of the Family Educational Rights and Privacy Act of 1974, as amended, students have the right to withhold the disclosure of directory information.

In accordance with WPI's current policy, students must file a written Request for Confidentiality with the Office of the Registrar during the first week of the fall semester in order for their directory information to be suppressed from the student directory and the online directory.

Directory information currently includes the student's campus mailbox, full name, year, major, advisor, e-mail address, home address, local address and local phone.

ALL MATERIAL CONFIDENTIAL - I do not wish to have ANY information included as directory information. By choosing this option I understand that all information that WPI considers to be directory information will be held confidential for the next publication of the student directory, and will be removed from WPI's online directory.

I understand that by choosing the option above that my directory information will be suppressed from the current year directory publication.
