IV.

a. What accounted for your academic difficulty leading to your suspension?

b. Please explain why you believe you have overcome these difficulties and are now better prepared to resume your studies. :

c. The Committee on Academic Operations (CAO), which will review your application, is interested in your activities while away from WPI. Specifically, if you had academic difficulty in your subject are, Calculus for example, the committee would like to see evidence of your efforts to rectify this problem, such as by taking calculus classes at another college. Additionally, if you worked full-time while away from WPI, letters from your supervisors indicating your job performance and potential to continue schooling at WPI are helpful to enable CAO to make the most informed decision on your application. Please indicate your academic and non-academic activities while away from WPI and provide the supporting documentation such as transcripts, letters, etc.
