

Academic Release Form For Fraternity/Sorority Members

As a member/new member of _____ (name of organization), I,

(print member/new member's name), give permission for the Office of the Registrar at Worcester Polytechnic Institute to provide a copy of my official grade report each term to the Assistant Director of Student Activities and Greek Life Programs, Chapter President, Scholarship Chairman, Advisors, and Inter/national representatives of this chapter to be used for academic performance evaluation and academic improvement programming purposes.

I realize that this is necessary in order to determine "Good Standing" with my organization and/or eligibility for initiation, officerships, etc. I also realize that my grade reports may not be revealed to a third party without my prior written consent. I release this information to the specific entities named above as long as I am enrolled at Worcester Polytechnic Institute and am a member of a Greek letter organization.
