### **Discussions**

House Inspections- building inspection was not there for some inspections.

Sprinkler heads- no paint or dust

Smoke detectors- need to be hard wired in.

Dryers- no flex wire hoses. Needs to be metal piping.

29<sup>th</sup> Last inspection day. Housing license can be refused if inspections is not had by that day.

Overall inspections ran smoother than in past, but still frustrating.

Licenses run sep/oct when inspections start through the end of april.

Potentially in future build a house buddy program to assist chapters with mock inspections. Everything on checklist needs to be done. Dialogue over email has been really great to find out what other houses have experienced with inspections.

Greek Leadership Conference- nailing down schedule. All tracks start in the morning, keynote at noon, more discussions after lunch. 10am-3pm undergrads. 9am – whenever alumni, format same as last year. New member track lead by community advisors and alumni. Email [chad.tino@gmail.com](mailto:chad.tino@gmail.com) with any questions. Next committee meeting will be November 12 at 7pm.

Meeting Adjourned: 8:40pm
