

Peer Summative Assessment of Team Members

Name: _____

Team _____

Please write the names of all your team members, including yourself, and rate the degree to which each member fulfilled his/her responsibilities in completing the project. The possible rankings and their rubrics are shown below.

Excellent	Consistently performed at a high level---exceeding expectations in all aspects; helped teammates; carried more than a fair share of the workload.
Very Good	Consistently met expectations--sometimes exceeding them; very well prepared; cooperative; accepted responsibility for a fair workload, sometimes did more.
Good	Consistently met expectations; usually well prepared and cooperative; was a strong team contributor; usually did what was asked but little more.
Acceptable	Usually prepared, but not always. Frequently met expectations but sometimes was lacking in preparation, attendance, or cooperation. Mostly did what was asked but never went beyond that.
Marginal	Sometimes acceptably prepared, sometimes not. Sometimes missed assignments and/or meetings. Contributed very little during meetings or with assignments.
Not acceptable	Contributed little or nothing. Missed meetings and assignments on a regular basis. Lack of output resulted in other team members carrying an extra workload. Rarely participated during meetings or behavior was counter-productive.

The ratings should reflect each individual's level of participation, effort, and sense of responsibility, NOT his or her academic ability.
