With the StudentResources mobile app, college students that have either enrolled in the Student Healthcare Plan through their college or online at www.uhcsr.com can access their ID card image, explore care options, search for a Provider and view claims.

**This app is only accessible if you are enrolled in a StudentResources health plan. If you've enrolled in a UnitedHealthcare plan through your employer, please search for the Health4Me app.

Features:

- **Create My Account** – Create your online account directly from your smartphone.
- **ID Cards** – **View your ID card, fax or email your ID card directly to your provider or save a copy to your device for quick access later. Covered dependents are also included.**
- **Provider Search** – Search for In-Network participating Healthcare or Mental Health providers; quickly call the office or facility and view their location on a map.
- **Find My Claims** – View claims received within the past 120 days for both the primary insured and covered dependents.
- **Care Options** – Review the care options available to you, based on your policy benefits; easily reach out and get the support you need.
- **Customer Service** – Easy access to email or call Customer Service

The Student Resources mobile app is for college students who have enrolled in their college/university's student health insurance plan. With the UHCSR app, students can access their ID card, explore Care Options, search for in-network providers and view claims.

**The UHCSR app is only accessible if you are enrolled in a Student Resources health plan. If you are enrolled in a UnitedHealthcare plan through your employer, please download the Health4Me app.

Features:

- **Create My Account** – Create your online account directly from your phone.
- **ID Cards** – View, fax or email your ID card directly to your provider or save a copy to your device for quick access later; covered dependents are also included.
- **Provider Search** – Search for In-Network participating Healthcare providers; quickly call the office or facility and view their location on a map.
- **Find My Claims** – View claims received within the past 120 days for both the primary insured and covered dependents.
- **Care Options** – Review the care options available to you, based on your policy benefits; easily reach out and get the support you need.
- **Customer Service** – Easy access to email or call Customer Service.
