

Spend Your Summer at WPI!

FRONTIERS

WPI Pre-College Experience

Explore the Limits of Your Knowledge

Spend two weeks on campus exploring a major and minor enriched college experience, along with a full schedule of activities and events! Join us to experience college life, learn from WPI faculty, use our state-of-the-art technology and meet students from around the world.

Session I: July 5–17, 2020

Session II: July 19–31, 2020

For students entering grades 11 or 12 in the fall of 2020

Applications are accepted from
December 10, 2019–April 10, 2020.

For class descriptions, application details, and information about additional summer programs for younger high school students, visit **wpi.edu/+frontiers2020**.
