

# Getting Started with the edHEALTH Walking Challenge

**1** Go to [www.harvardpilgrim.org/wellnessaccount](http://www.harvardpilgrim.org/wellnessaccount).  
Are you a Harvard Pilgrim member through your employment at an edHEALTH school?

**YES** If you already have a Harvard Pilgrim online account, enter your username and password and **Log in**. If not, click **Create Member Account**.

**NO** If you are not a Harvard Pilgrim member through your employment at an edHEALTH school, **Create a Guest Account** using the program code listed in the table. It may take up to 24 hours for your guest account to be activated.

**2** The first time you log in to your Harvard Pilgrim online account, complete the welcome page with the following information:

- a. Language preference
- b. Sign-in name
- c. Email address

**3** Connect a wearable device, fitness tracker or app so your steps will be tracked automatically once the walking challenge begins. (If you do not have a wearable device or fitness tracker, you may skip this step and begin manually entering steps on the day the challenge begins.)

**4** On or after June 8, select the edHEALTH walking challenge activity tile from your dashboard and start walking!
