Social Entrepreneurship Minor

Program Planning and Completion Form

The Social Entrepreneurship minor is available to all students at WPI except for those majoring in Business with a concentration in Innovation for Social Change.

Student Name: Student ID #: Major:

Email Address: Academic Advisor: Class Year:

The Social Entrepreneurship minor in the Foisie Business School provides students with the theoretical underpinnings of leadership, entrepreneurship, and social innovation. This minor may be of particular interest to those students for whom the Great Problems Seminar or IQP has been an eye-opening experience and who aspire to change the world – or some part of it.
