Plan Your Quest to Campus

You’ll be making your (socially distanced) quest back to campus soon, and we can’t wait to see you. In the meantime, though, there are a few levels you’ll have to complete before you arrive as we all work together to protect the herd. Your prize? Playing a pivotal role in keeping #WPITogether and contributing to a continued on-campus experience that’s as safe and healthy as possible.

Each level links off to more information to help you answer any questions you may have. You’ve goat this; we’ll see you soon!
