

William Lowell Putnam Mathematical Competition Registration Now Open

The Putnam Exam is a prestigious and very challenging annual competition in collegiate mathematics. The exam consists of two sets of 6 problems each and will be offered on February 20, 2021.

Students must self-register at the following website:

<https://artofproblemsolving.com/contests/putnam/student>

Preparation sessions will be run in Denksport on Mondays at 10am **starting Monday, February 1, 2021**. Please register for Denksport if you would like to participate in the Putnam.

The zoom link for the course is here, and all are welcome:

<https://wpi.zoom.us/j/9927401226>

Coordinators:
Professor Brigitte Servatius
Professor Pádraig O' Cathain

Those interested in participating should notify
Professor Ó Catháin at ocathain@wpi.edu
