WPI STEM DESIGNATED PROGRAMS

- Aerospace Engineering
- Applied Mathematics
- Applied Physics
- Applied Statistics
- Biochemistry
- Biochemistry
- Bioinformatics and Computational Biology
- Biology and Biotechnology
- Biomedical Engineering
- Biotechnology
- Business Administration
- Business Analytics
- Chemical Engineering
- Chemistry
- Civil Engineering
- Computational Media
- Computer Science
- Construction Project Management
- Data Science
- Data Science
- Electrical and Computer Engineering
- Environmental Engineering
- Financial Mathematics
- Fire Protection Engineering
- Health Systems Innovation *
- Industrial Mathematics
- Information Technology
- Innovation with User Experience
- Innovation with User Experience *
- Interactive Media and Game Development
- Learning Sciences & Technologies
- Management
- Management >> MBA Pathway
- Management of Technology
- Manufacturing Engineering
- Marketing and Innovation
- Master of Mathematics for Educators
- Materials Science and Engineering
- Mathematical Sciences
- Mechanical Engineering
- Neuroscience
• Nuclear Science & Engineering
• Operations Analytics and Management
• Operations Analytics and Management
• Physics
• Physics
• Social Science and Policy Studies
• Statistics
• Supply Chain Management
• System Dynamics
• Systems Engineering
