

## **Undergraduate Outcomes Assessment Committee (UOAC) Meeting Minutes**

**Date: Monday, January 23, 2023**

**Meeting #5**

**Location: ZOOM meeting**

Present: Doug Petkie (PH), Chrys Demetry (Morgan Center), Soroush Farzin (CEAE), Adrienne Hall-Phillips (CAP representative), Kent Rissmiller (Provost's representative)

Guest: Melissa Leahy (Institutional Research)

1. Chair Petkie called the meeting to order at 10:05 am.
2. The committee discussed tailoring the Enrolled Student Survey (ESS) for the Spring 2023 deployment, a request from Emily Perlow. The ESS will be deployed to all four class years (unlike NSSE that only goes out to first years and seniors). The intention is to get more progress on students across years about learning outcomes. Suggested edits: Q1, ask that this question be split into 3 questions; Q2: global and intercultural competency question – could leave this as “developing global awareness” – UOAC discussed changing this to, “identifying and explaining the cultural forces that shape yourself and others as you engage with local and global communities”. There was also some discussion about removing redundant questions. Full details of suggestions to be forwarded to E. Perlow for review.
3. Prof Rissmiller informed the committee that he has organized an IQP review and faculty are assessing IQPs with respect to learning outcomes 1-3. Roughly 130 projects will be reviewed.
4. UOAC discussed reintroducing IQP/MQP end of project surveys at an upcoming faculty meeting.
5. The meeting adjourned at 10:37 am.

Respectively submitted,

Adrienne Hall-Phillips, secretary for C term
