

The annual Global Women in Data Science (WiDS) Conference is held at Stanford University and 200+ locations worldwide.

All genders are invited to attend this free event, which features exclusively women+ speakers.

This one-day event will bring together individuals from industry and academia to celebrate the contributions of women+ in Data Science from Central Massachusetts and beyond.

Wednesday , March 15, 2023
9:00 AM (EST) – 4:30 PM (EST)

WOMEN IN DATA SCIENCE
CENTRAL MASSACHUSETTS
@ WPI
