Location: SL 104

BS/MS, MS, and PhD Info Session

Dear Students,

You are cordially invited to attend an information session on the BS/MS (BS in Anything/MS in Aerospace Engineering), MS and Ph.D. programs in Aerospace Engineering.

General benefits and tips, courses that double count toward the bachelors and masters degrees are just a few of our topics.

Let us show you how the combined BS/MS program can be comfortably completed in five years or less! Will summarize current research by AE faculty and provide information on research opportunities.

RSVP: jtripp@wpi.edu by April 12th, 2023
