About WPI's Executive PhD

We are the business school
for engineers, scientists,
and change makers.

Designed for seasoned business professionals ready to apply their expertise in new and fulfilling ways.

- **Elevate what you can do in your current role** or branch out into **consulting, teaching, or conducting research**
- **Gain the status of a thought leader** and **create a lasting impact and legacy** in your field of expertise
- **Work with faculty experts who will support and guide you** as you work through the program and your research agenda
- **Collaborate closely with a cohort of fellow students** whose interests and initiatives match your own

WPI

THE BUSINESS
SCHOOL

Admission Requirements

- Master's Degree holders
- 15+ years of industry experience
- Strong demonstrated expertise in chosen field
- Passionate problem solvers
- Keen desire to create high-impact solutions

Key Considerations:

- Rolling admission decisions
- Flexible and cohort based
- Some residency is required
- No scholarships awarded

WPI

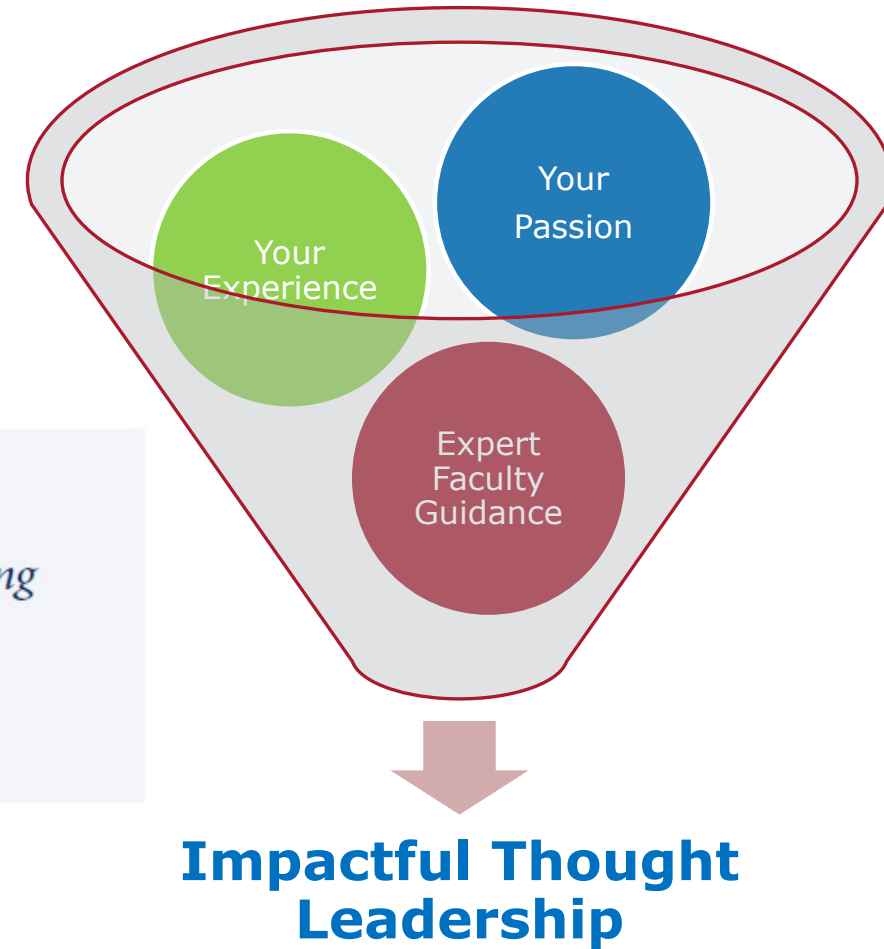

THE BUSINESS
SCHOOL

The Need for Accomplished Thought Leaders

“ Our world requires strategic thinkers and leaders who are innovative in ways that yield societal impact while also engaging diverse constituencies. ”

Rev. Debora Jackson, DMin, Dean, WPI Business School

WPI

THE BUSINESS
SCHOOL

Current Student Profile: Scorpio Rogers

“

“This degree will enable me to do more advanced research ... and become a recognized expert on entrepreneurship.”

Scorpio Rogers, Executive PhD Student

WPI

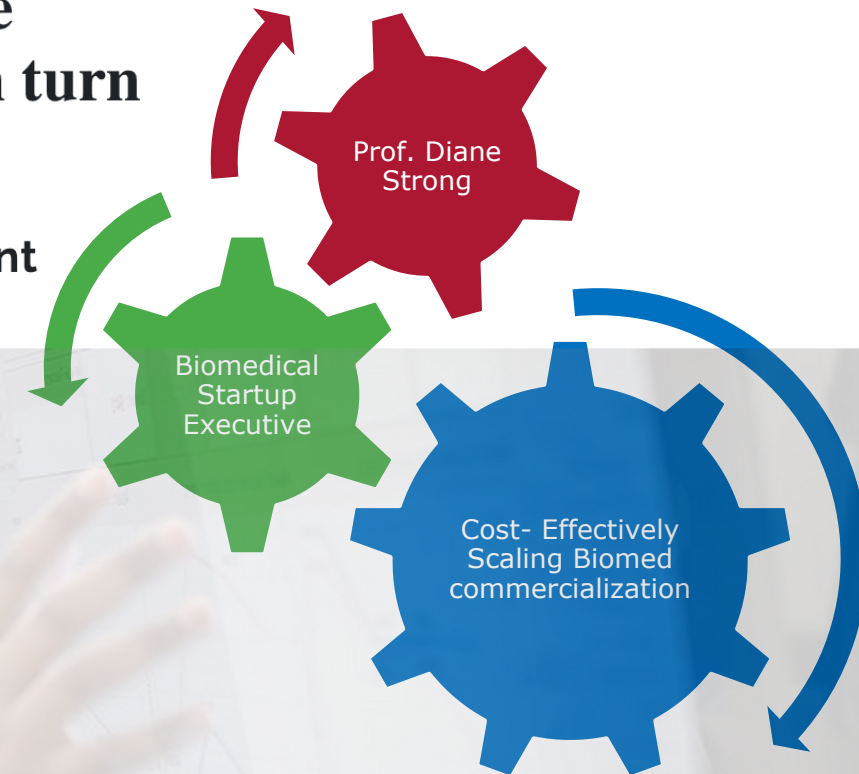

THE BUSINESS
SCHOOL

Current Student Profile: Ron Welter

This is a degree for people who love learning ... It also allows you to get valuable input from people who may not otherwise talk to you ... You're actually trying to help an industry, which in turn can help them. »

Ron Welter '87, '02 (MS), '14 (MBA), Executive PhD Student
