## Notes:

- 1. Only courses with the prefix INTL count toward this requirement. Must include the senior seminar in international and global studies.
- 2. International and Global Fields: Majors complete at least one unit of work in each of the following areas. They must also complete at least one additional unit of work in one of these areas, which will be considered their primary field.
  - a) History and International and Global Studies.
  - b) Language, Literature, and Culture.
  - c) Social Sciences and Business.
- 3. International Studies majors are required to have a study-abroad experience. (In very unusual cases exceptions may be made to this requirement but only with prior approval of the Director and Program Review Committee). This abroad experience may take the form of a project, exchange, or internship approved by the Program Review Committee. The study-abroad experience should be educational in nature and equivalent in length to at least one WPI term.
- **4.** Must include a minimum of 2/3 unit in mathematics or computer science and 2/3 unit in natural science or engineering science. The remaining 2/3 units may be from any area of mathematics, computer science, natural science or engineering science. Double majors may count courses taken for their other major.
- Electives may be from any area except Air Force Aerospace Studies, Military Science or Physical Education. Double-majors may count courses taken for their other major.

See Distribution Requirements for the International Studies Major in the Undergraduate Catalog for more information.
