

# INNOVATIONS IN IMMIGRATION ANALYTICS CONFERENCE

**Worcester Polytechnic Institute**

**June 2nd, 2023**

**10:30 am - 4:00 pm**

Migration has been a powerful force shaping societies throughout civilization, driven by a complex interplay of factors, including personal safety, political stability, and economic opportunity. The Innovations in Immigration Analytics Conference brings together experts and practitioners from academia, government, and industry to showcase the latest innovations in analytics and machine learning for immigration.

We invite you to join us on Friday, June 2, 2023, at Worcester Polytechnic Institute to hear from innovators in immigration analytics for a day filled with engaging discussions, knowledge sharing, interactive sessions, and networking opportunities.
