2023 - Keynote Speaker

Curtis Carlson is recognized as a pioneer in developing value creation practices that profoundly improve an enterprise’s innovative performance. He was formerly CEO of SRI International in Silicon Valley from 1998 to 2014. During this time, SRI’s revenue tripled, and SRI became recognized as one of the world’s most productive innovation enterprises, having helped create Siri, HDTV, Intuitive Surgical, and other world-changing innovations.

He started his career at RCA and then GE before joining SRI. He is currently Distinguished Executive in Residence at Worcester Polytechnic Institute.

With William Wilmot he wrote the book ”Innovation: The Five Disciplines for Creating what Customers Want,” which was selected by BusinessWeek as a Top-10 Business Book. It describes the innovation principles he learned that significantly improve innovative output. He has helped create over two dozen new companies and his teams have won two Emmys, including one for HDTV. He is a member of the National Academy of Inventors and has advised ministers and prime ministers around the world on innovation practices and innovation policy. He was a member of President Obama’s National Advisory Council on Innovation and Entrepreneurship.
Zulean Cruz- Díaz is a leader-builder and strategic planning consultant. During her nonprofit work years, she used culture and social justice to drive her support in community engagement, advocacy, and programming work. The Texa-rican (Texan by birth, Puerto Rican by blood) has mastered relationship building and the management of group dynamics for strong working and trusting teams. Her previous roles in past organizations was to help “re-find” the organization's guiding star through listening sessions and customized engagement for actionable steps. Today, Zulean continues to form individuals “from scratch” with interpersonal relationship skills and management tools for strong working and trusting group dynamics.

Dave Coughlin is obsessed with growth, whether commercial, personal, or professional. He is the author and architect of Entry Level Escape and a VP of Data Science in the healthcare industry where he most recently drove over $100M new profit for Aetna's Commercial Lines. He has been mentoring for over a decade and has been a part of over a dozen promotions. When he is not driving growth for mentees or employers he likes to lift weights and play cards. He lives in Boston with his wife and three children. He holds an MBA from WPI and an MS in Applied Math from Northeastern University.

Colleen Hayes is the Vice President of Strategic Marketing for Teradyne Robotics Group. The Robotics Group includes Universal Robots (UR) and Mobile Industrial Robots (MiR) who build human-scale robotics, designed to work alongside people doing tasks that are dull, dirty, and even dangerous. Colleen has over 25-years of experience in high tech industries at major multi-national corporations, including IBM, ThermoFisher Scientific and Broadcom. She has a Master of Business Administration from the Northwestern University's Kellogg School of Management.

The Dean’s List Sponsors Overview

Dean’s Social (Private Event)
Hosted by the Dean, this "Invite Only" Social at the Worcester Social Club will comprise of stakeholders who have made a commitment to support the Dean's vision for the Business School. The event will include networking and updates on the accomplishments, current projects, and future of the Business School. Your sponsorship and attendance (with a guest) of this event demonstrates that you are invested in the growth and future success of the Business School.

Career Preparedness Workshop - Social
STEM + Business Landscape Workshop will delve deeper into navigating the dynamic intersection of STEM and business. Students will learn about advanced industry trends, sharpen their preparedness and articulate their strengths. Your sponsorship of this event will provide students opportunity to learn from career professionals and practice networking.

Alumni and Friends Meet and Greet Social
This social is an opportunity to socialize and network. Let's get together to talk about our WPI experiences but also what you've been doing since you graduated. Your sponsorship of this event will create an environment where alumni can reconnect, make new connections, and find new opportunities.

Speaker Series Sponsored Lunch
To coincide with our Business Speaker Series we'd like to offer attendees lunch while they learn. Your sponsorship will provide the lunch (healthy food and beverages options) for our students and guests as they network and engage with a subject matter expert on a topic at the intersection of business and STEM.

Grab-n-Go Breakfast
The most important meal of the day. Your sponsorship will provide healthy breakfast options to our students every day of Business Week.
Private Dean’s Business Week Dinner Gift
Capture the attention of a select group of WPI Business School stakeholders by sponsoring a branded gift that each attendee will receive. This event will include an update on the accomplishments, current projects, and vision for the future of the Business School.

Business Week App & Brochure
Make your organization’s logo stand out during and after the Business Week. A great way to show all Business Week attendees that you're invested in their experience. Your logo will be prominently displayed on Brochure/ website and app. WPI Business School will order a minimum of 500 printed brochures.

Fintech Friday
Highlight your organization's logo during Friday afternoon's Fintech themed movie screening including refreshments. Sponsor logo will be displayed at venue.

International Student Job Search Strategies Webinar Gift
November is International Student Month. To mark this occasion, Business Week will host a seminar on International student job search strategies. Your sponsorship and gift will mark this occasion where international students gain a better understanding of what they can expect as they search for employment as students and after they graduate.

Situational Awareness in Business Settings - Social Gift
As students are learning strategies for being mindful of their surroundings in social business settings, like lunch meetings and receptions, each attendee will receive a gift with your name/logo on it to celebrate this occasion and your commitment to their professional growth.

Alumni & Friends Meet and Greet Social Giveaway
As we welcome alumni back to campus to connect with current students, reconnect with each other, and casually catch up, your sponsorship and gift will show them that you're invested in keeping them engaged and reminding them that they always have a home here at WPI that is eager for them to come back and share their stories.
Speed Networking
During Business Week, students enrolled in every Business School course will have the opportunity to gain insights from WPI alums, practitioners through the speed networking event. Your sponsorship will provide refreshments for participants as they make meaningful connections.

Wellness Day Walk & Refreshments
What better way is there to start focus on WPI's Wellness Day than an outdoor fun run/walk with students? To be held on Nov.6 - Monday after Business Week, your sponsorship will help energize WPI students during the campus walking trail. Sponsor may provide commemorative items in accordance with their sponsored activity, i.e t-shirts, hats, water bottles, refreshments.

WPI Means Business - Course Support
Your sponsorship will allow us to facilitate hosting subject matter experts during the entire academic year (possibly you).

WPI Means Business, the course, is designed to attract Computer Science and Mechanical Engineer majors to learn about business in order to accelerate their impact upon graduation.

Different ways you could sponsor WPI Means Business:
- Visit the campus to share your experience at the intersection of business and STEM.
- Invite a class to visit your business or organization, on (1) or multiple occasions, to see how business is conducted in the real world.
- Make a financial contribution to support co-curricular programming, scholarships, and project assistants.

There are many ways you can support equipping our STEM focused business students with the skills they'll need to succeed as managers and executives.
