

## Academic Year 23-24 Noyce Internships for TPP students

The WPI NOYCE Program is offering Noyce Internships during the academic year for students in the Teacher Prep Program as **After-School Program Facilitators** at local elementary schools run by the YWCA to gain practice-based experience serving young children.

To apply, students should commit to **2 afternoons (3-5 pm) per week** for the academic year in order to form authentic relationships with the students and program staff. These internships will serve as a great foundation for teaching and are **paid positions!**

- **ideally starting B-term through D-term**
- **2x/week, 3-5 pm (days could change each semester)**
- **\$16/hr**
- **~19 weeks total (not counting WPI or Worcester Public School breaks)**
- **additional weeks after D-term possible (May-June 2024)**
- **WPI community service van available for transportation**
- **preference for Teacher Prep 1st and 2nd year students**
- **A CORI form and Finger Printing form must be completed before starting.**
- **YWCA will provide training before starting internship.**

If you would to apply for the After-School Program Facilitator position please complete Noyce Internship Application by scanning QR code.

If have any additional questions, please contact Noemi Robertson, [nbertson@wpi.edu](mailto:nbertson@wpi.edu), Director for Community Partnerships and Educational Equity!
