Dear Parents, Family and Friends,

On behalf of the WPI community I am pleased to welcome you to the Reserve Officer Training Corps Joint Commissioning Ceremony. This ceremony recognizes the hard work and dedication of these fine young graduates, and accepts them into the ranks of the officers in the United States Army and Air Force.

These students have successfully managed college careers that have challenged them academically, as well as prepared them for future military service. They possess the highest levels of excellence, sense of duty, leadership, and devotion to family and nation.

Their successes that we celebrate today mark them as deserving of our every confidence. They are assuming the mantle of leadership in our Armed Forces during a time of great complexity and uncertainty. I am confident that they have developed the skills they'll need to navigate their path ahead. Please join me in wishing them success in their future endeavors as they lead our nation's military in the preservation of freedom.

Sincerely,

THE AIR FORCE SONG: Wild Blue Yonder

Off we go into the wild blue yonder,
Climbing high into the sun;

Here they come zooming to meet our thunder,
At 'em now, Give 'em the gun! give em the gun!
Down we dive, spouting our flame from under,

Off with one helluva roar!

We live in fame or go down in flame. Hey!
Nothing'll stop the U.S. Air Force!

THE SPACE FORCE SONG: Semper Supra

We're the mighty watchful eye,
Guardians beyond the blue,
The invisible front line,
Warfighters brave and true.
Boldly reaching into space,
There's no limit to our sky.
Standing guard both night and day,
We're the Space Force from on high.

THE ARMY SONG: The Army Goes Rolling Along

March along, sing our song,
With the Army of the free
Count the brave, count the true,
Who have fought to victory
We're the Army and proud of our name,
We're the Army and proudly proclaim:

First to fight for the right,
And to build the Nation's might,
And The Army Goes Rolling Along.
Proud of all we have done,
Fighting 'til the battle's won,
And the Army Goes Rolling Along.

Then it's Hi! Hi! Hey!
The Army's on its way.
Count off the cadence loud and strong!
For where e'er we go,
You will always know,
That The Army Goes Rolling Along.
