

# Voices of the Forest

The Atlantic Forest in Music | A Mata Atlântica na Música

Join Fulbright Scholar and DIGS Assistant Professor Jason Davis for a presentation about his research-creation work recording oral histories of community members speaking about their relationships with the endangered Atlantic Rainforest (Mata Atlântica) of Brazil.

Jason will also show a video montage combining recorded interviews, forest landscapes, and original music.

Wednesday, September 18

3:00 – 4:00 PM

Salisbury 105
