

WORK ADDRESS

Associate Professor
Department of Integrative and Global Studies
Division and the Environmental
Worcester Polytechnic Institute
Worcester, MA 01609
413-387-9320 (mobile)
STuler@wpi.edu

Research Fellow
Social and Environmental Research
Institute
111 Zerah Fiske Rd.
Shelburne, MA 01370

PERSONAL

BORN: June 25, 1962, Champaign, Illinois
CITIZENSHIP: U.S.A.

EDUCATION

1990 - 1996: Clark University, Worcester, MA.
Ph.D. Environmental Science and Policy
Dissertation title: Meanings, Understandings, and Interpersonal Relationships in
Environmental Policy Discourse.

1985 - 1987: Massachusetts Institute of Technology, Cambridge, MA.
M.S. Technology and Policy, May 1987.
Thesis title: Human Behavior in Time-Pressured Distributed Decision Systems.

1980 - 1984: The University of Chicago, Chicago, IL.
B.A. Mathematics, March 1984.

WORK EXPERIENCE

2002 – present: Department of Integrative and Global Studies / Interdisciplinary and Global
Studies Division, Worcester Polytechnic Institute, Worcester, MA.

Nov. 1995 – present. Senior Research Fellow. Social and Environmental Research
Institute, Greenfield, MA. Multiple research projects. Serve as Clerk of the Institute
and member of the Board of Directors.

Jan. 1996 – 2006. Research Fellow. Center for Technology, Environment, and
Development, George Perkins Marsh Institute, Clark University, Worcester, MA.
Multiple projects, including study of visitor safety in the National Parks, technical
assistance on health research and public participation of communities nearby US
nuclear weapons facilities.

Sept. 2000 – Sept. 2002. Researcher. Subcontract from Decision Research, Inc. with
the Social and Environmental Research Institute, Greenfield, MA. Conduct study of
public perceptions of risk and public participation opportunities in two
communities with nuclear weapons facilities (Fernald, OH and Brookhaven National
Laboratory, NY).

Jan. 1997 - March 1998. Research Assistant. Cooperative Park Studies Unit, University of Idaho, Moscow, ID. Literature review for report on wildland fire management and research priorities. Participated in studies of occupational risk of park personnel in Olympic National Park (removal of invasive Mt. Goats) and Mt. Rainier National Park (winter snow removal).

June 1993 - Jan. 1994: Staff. Vermont Leadership Center, Island Pond, Vermont. Provided support for office staff, coordination of grassroots Northern Forest Citizen Network activities (including organization of workshops, implementation of survey project, and publication of newsletter) and support for Northern Forest Dialogue Project retreats (including pre-retreat and post-retreat interviews with participants and post-retreat evaluation).

Jan. 1990 - May 1990. Research Assistant. Cooperative Park Studies Unit, University of Idaho, Moscow, ID. Reviewed risk to personnel in the Olympic National Park Mountain Goat Removal Project. Emphasis was placed on individual and team factors that contribute to capture personnel risk. Recommendations were developed to decrease risks and presented to capture team personnel at a workshop.

PUBLICATIONS

In Progress

Tuler, S. P. and Webler, T. (Submitted August 2023, undergoing 2nd review). The Challenges of Siting Small Modular Reactors, *Renewable and Sustainable Energy Reviews*.

Tuler, S. P. (in progress). Multi-stakeholder platforms for planning and decision-making: Challenges and opportunities for social learning. Invited chapter to Renn, O., Schweizer, P., Webler, T., & Wiedemann, P. (Eds.). (tbd). *Fairness and competence in citizen participation: Evaluating models for environmental discourse*. 2nd Edition. Springer. NY.

Report prepared for the National Institute for Occupational Safety and Health and the National Institute for Environmental Health Sciences by the Center for Technology, Policy, and Industrial Development, Massachusetts Institute of Technology, Cambridge, MA. 179 pgs.

FELLOWSHIPS AND GRANTS

Co-PI, *Intersectional AI: An Artist-in-Residence Series Exploring the Social Implications of Emerging Technologies*. With Stephen McCauley (PI) and Ingrid Shockey (co-PI). Grant proposal submitted to WPI's Women's Impact Network (WIN). Sept. 2024 – May 2025. \$8,326.

Co-PI. *Improving Engagement Methods for Coastal Resilience and Reducing Climate Risk: Bridging Learning Networks from the Urban Northeast (CCRUN) to the US Caribbean (CCAN)*. With M. Sheller (PI) and other personnel from the Consortium for Climate Risk in the Urban Northeast (CCRUN) and Caribbean Climate Adaptation Network (CCAN). Funding from NOAA Climate Program Office. \$500,000. Sept. 2023 – Aug. 2025.

Senior Personnel. *Creating the Conditions and Capacity for Communities to Willingly Participate in Consent- Based Siting*. With Keystone Policy Center (in partnership with Social and Environmental Research Institute, (SERI), GDFWatch, and the National Association of Regional Councils (NARC)). Dept. of Energy Funding Opportunity Number: DE-FOA-0002575: Consent-Based Siting for Interim Storage Program -- Community Engagement Opportunities, \$2,000,000. August 2023 – July 2025.

PI. *The Challenges of Siting Small Modular Reactors*. With Thomas Webler. Funded by WPI's Just Technology (JustT) Collaborative and a grant by Public Interest Technology University Network. Oct. 2022 – April, 2023.

Co-PI. *Increasing the resiliency of frontline disadvantaged communities in island states in the wake of severe storms, extreme heat waves, and ecosystem service failures*, NOAA CAP-RISA. With Mimi Sheller (PI), Sarah Strauss, Scott Juisto, John-Michel Davis at WPI and others at University of Puerto Rico, University of the Virgin Islands, City University of New York, University at Albany, University of South Florida, Arizona State University, and others). Funding from NOAA Climate Program Office. Sept. 2022 – Sept. 2027.

PI. National Science Foundation. *SRS-RN: Land Use in Regional Sustainability Transitions: Establishing a Network of Research and Practice to Support Governance*

in Linked Urban and Rural Systems of Massachusetts. With Carrick Eggleston (co-PI), Stephen McCauley (co-PI), Oleg Pavlov (co-PI), Elisabeth Stoddard (co-PI), Sarah Strauss (Senior Researcher), David Bloniarz (co-PI, Univ. of Massachusetts, Amherst), and Dwayne Breger (co-PI, Univ. of Massachusetts, Amherst). Nov. 2021 – Oct. 2023 (\$149,873).

Senior Researcher. National Science Foundation. *Climate-induced Extremes on the Food, Energy, Water Nexus (C-FEWS) and the Role of Engineered and Natural Infrastructure*. With Charles Vorosmarty (PI), Amy Ando (co-PI), Atul Jain, (co-PI) Jerry Melillo (co-PI), Donald Wuebbles (co-PI). July 2019 – June 2023. Full proposal amount \$2,499,998 (Subcontract via Social and Environmental Research Institute for \$67,604)

Global Lab Fellow, Worcester Polytechnic Institute, March – May 2019.

Co-PI. National Oceanic and Atmospheric Association, Urban Heat Island Mapping Campaign Matching Award. *Worcester Heat Island Mapping Citizen Science Campaign*. With Stephen McCauley. June 30 – September 30, 2019. (\$4,000)

PI. MIT Sea Grant. *Supporting local comprehensive planning and climate change adaptation planning in Wellfleet, MA*. 2017-18 (\$10,000)

Co-PI. Environmental Protection Agency, Office of Research and Development. *Community Decision Integration: Knowledge Corridor Case*. With Thomas Webler, PI. 2013-2014. (\$39,694)

Co-PI. NOAA Coastal Oceans Climate Adaptation (COCA) Program. *Promoting climate change awareness and adaptive planning in Atlantic fisheries communities using dialogue-based participatory vulnerability analysis*. With Thomas Webler, PI. 2012-2014. (\$283,585).

Researcher. National Sea Grant Program. *Using participatory scenario building to encourage climate-resilient zoning in the coastal Carolinas*. With Thomas Webler and Jessica Whitehead, Co-Principal Investigators. 2012-2014. (\$150,000).

Co-PI. Northeast Center for Agriculture and Occupational Health. *A participatory approach to building a systems-based understanding of the vulnerability of commercial fishermen to workplace hazards*. With Thomas Webler (PI). Jan 2012 – March 2013. (\$15,179).

Professional Development Fellowship, Science and Society Program, National Science Foundation. *Factors that enable longterm institutional management systems to anticipate, recognize, and respond to failures*. September 2009 – August 2012 at Worcester Polytechnic Institute. Effort: 9 months

PI. MIT Sea Grant. *Improving understandings of consequences, vulnerabilities, and adaptation strategies to climate change related hazards*. With Thomas Webler (co-PI, SERI). February, 2011 - January, 2014. (\$182,644).

Researcher. USDA/AFRI. *Long-term health effects, risk perceptions, and implications for agricultural markets: modeling consumption patterns for aquacultured seafood*. With Cathy Roheim (PI, University of Rhode Island) Robert Johnston (PI, Clark

- University). 2010 - 2011.
- PI. NOAA Sectoral Applications Research Program (SARP). *Informing coastal management adaptation planning and decision making for climate change using an interactive risk-based vulnerability assessment tool*. With T. Webler, K. Dow, and J. Whitehead. 1 August, 2009 – 31 Dec., 2011. (\$213,886).
- Professional Development Fellowship, Science and Society Program, National Science Foundation. *Factors that enable longterm institutional management systems to anticipate, recognize, and respond to failures*. September 2009 – August 2012 at Worcester Polytechnic Institute. (\$86,299).
- Co-PI. Coastal Response Research Center (under NOAA Grant Number: NA04NOS4190063). *Social disruption from oil spills and spill response: Characterizing effects, vulnerabilities, and the adequacy of existing data to inform decision-making*. With T. Webler. July 2008 – June 2010. (\$249,339).
- Co-PI. Oil Spill Recovery Institute. *Cordova Study Site – Social disruption from oil spills and spill response*. With T. Webler. 1 July 2008 – 30 June 2010. (\$36,992).
- Fulbright Scholar Fellowship, Faculty of Public Health, Thammasat University, Rangsit Campus, Pathumthani. Bangkok, Thailand, Dec 2008 – April 2009. Studied the public health risk communication activities about air emissions from petrochemical facilities located at the Maptaphut Industrial Estate in Rayong Province. Gave a series of presentations about environmental health risk communication to government agencies and industry.
- PI. Coastal Response Research Center (under NOAA Grant Number: NA04NOS4190063). *Successful collaborative planning for oil spill response readiness*. With T. Webler. 2007. (\$59,074).
- PI. Coastal Response Research Center ((under NOAA Grant Number: NA04NOS4190063, Project Number: 05-983). *Establishing Performance Metrics for Oil Spill Response, Recovery and Restoration*. With Tom Seager, Igor Linkov, and Tom Webler, February 2005 – 31 December 2007. (\$288,436).
- PI. National Marine Fisheries Service, National Oceanic and Atmospheric Administration, Department of Commerce. *Demonstrating a risk-based approach to rapid vulnerability assessment in New England fishery communities*. With Tom Webler and Colin Polsky, Oct. 2007 – Dec. 2009. (\$131,902).
- PI. National Marine Fisheries Service, National Oceanic and Atmospheric Administration, Department of Commerce. *Developing methods to identify and characterize vulnerable populations in northeast marine fish communities*. With Julian Agyeman, October 2004 – September, 2005. (\$55,260).
- PI. Environmental Protection Agency. *Three evaluative tools to empower local communities in the cleanup of contaminated sites: A comparative analysis*. With Tom Webler, Caron Chess, and Susan Santos, October 2003 – March 2008. (\$461,390).

- PI. National Science Foundation (Societal Dimensions of Engineering, Science, and Technology). *Toward better theory of public participation*. With Tom Webler, September 2001 - December 2002. (\$148,000).
- Researcher. U.S. Department of Energy (subcontracted through Decision Research, Eugene, OR). *Community response to risk communication about low dose radiation exposures*. With Tom Webler (PIs Jim Flynn and Paul Slovic, Decision Research, Eugene, OR), August 2000 - September 2002. (\$76,000).
- Co-PI. National Park Service. *Comprehensive Study of Visitor Safety in the National Park System* (under subcontract # GNK756A with the Cooperative Parks Study Unit, University of Idaho, Moscow, ID). With Dominic Golding, May 2000 - April 2002. (\$249,953).
- Researcher. Environmental Protection Agency. *Social and Ecological Transferability of Integrated Ecosystem Assessment Models*. With T. Webler, L. Degan (MBL), and J. Kremer (UConn), co-PIs. 1997 - 2001. \$850,466.
- PI. National Science Foundation and the Environmental Protection Agency Partnership for Environmental Research. *Factors Influencing the participation of local governmental officials in environmental policy making. Three case studies of the National Estuary Program*. (SBR 96-13625). With Tom Webler, Paul Stern, and Ingrid Shockey, Oct. 1996 - Sept. 2000. (\$119,000).
- Co-PI. National Science Foundation. *Evaluating Public Participation Processes by Combining Perspectives of Planners, Participants, and Normative Theory*. With T. Webler (PI). 1995-1997. (\$76,000).

Invited Lectures, Workshops, And Presentations

- Vörösmarty, C., Melillo, J., Wuebbles, D., and Tuler, S. 2024. *Food-Energy-Water Systems: Achieving Climate Resilience and Sustainable Development in the 21st*. Invited presentation to the National Science Foundation, 15 April. 2024.
- Tuler, S. P., McCauley, S., Stoddard, E., Pavlov, O., Eggleston, C., Strauss, S., Kroot, M., Bryan, E., Krueger, R. 2023. Land Use in Regional Sustainability Transitions: Establishing a Network of Research and Practice to Support Governance in Linked Urban and Rural Systems of *Massachusetts*. Poster presentation at National Science Foundation (NSF) Grantees Workshop, Sustainable Regional Systems Research Networks Grantees Workshop, Washington DC, June 7-8, 2023.
- Tuler, S. P. 2023. *The contributions of Roger E. Kasperson to the study of risk*. Invited panelist at Clark University Graduate School of Geography Centennial and Future of Risks/Hazards Session, 15 April, 2023.
- Tuler, S. 2023. *Challenges for designing a consent-based process*. Invited panelist 2023 Society for Applied Anthropology Annual Meeting, Cincinnati, OH, 29 March, 2023.
- Tuler, S. 2022. Land use management and planning in Massachusetts: Some preliminary observations from a STEW-MAP survey. Invited presentation to the

- Stewardship Mapping Community of Practice meeting, 3 August, 2022.
- Tuler, S., Vörösmarty, C., Hansen, R., Najafi, E., Melillo, J., Wuebbles, D. 2022. *Stakeholder Engagement in the CFEWS (Climate-induced extremes on the linked Food, Energy, Water System) Research Framework*. Invited presentation, INFEWS Grantees Research Network Meeting, 9 Feb. 2022.
- Tuler, S. 2021. *Lessons about facility siting*. Invited panel presentation, Workshop on Understanding the Social Challenges Facing Nuclear Power, National Academies of Sciences, Engineering, and Medicine Committee on the Laying the Foundation for New and Advanced Nuclear Reactors in the US, 1-3 Sept. 2021.
- Tuler, S. and Vorosmarty, C. 2021. *Exploring scenarios of climate-induced extremes on the food, energy, water nexus (C-FEWS) and the role of engineered and natural infrastructure: Stakeholder engagement*. Invited presentation, EngageINFEWS Northwest Knowledge Network (NKN) meeting at the University of Idaho. 18 Feb. 2021. <https://doi.org/10.7923/2C8X-9196>
- Tuler, S. 2018. *Conceptual Framework for Risk-Informed Decision-Making*, Experts Meeting Convened by the National Academies of Sciences, Engineering, and Medicine, May 16-17, 2018.
- Tuler, S. 2017. *The climate is changing, how can our community respond?* Community Workshop and Presentation, Wellfleet, MA, 12th May, 2017.
- Tuler, S. *Workshop/training for Great Lakes Sea Grant on the Vulnerability, Consequences, and Adaptation Planning Scenarios (VCAPS) Process*, Great Lakes Sea Grant Network Conference, Cleveland, OH, 7-8 June, 2017.
- Shockey, I. and Tuler, S. 2016. *Promoting Perspective Taking in Cross-Cultural Teams*. Food for Thought teaching and learning seminar, Worcester Polytechnic Institute, Worcester, MA, Nov. 2016.
- Tuler, S. 2016. *A community-based approach to planning for the effects of climate change on shellfishing in Wellfleet Harbor*. Howard Hughes Medical Institute (HHMI) Seminar Series on Climate Science, Boston University, 8 Nov., 2016.
- Tuler, S. 2016. Invited participant to the 15th Annual Ronald C. Baird Sea Grant Science Symposium *The Social Dimensions of American Offshore Wind Energy: Towards a Research Agenda*, Narragansett, RI, October 24, 2016
- Tuler, S. and Stancioff, E. 2016. *Promoting climate awareness and adaptive planning in three Atlantic fisheries communities using the VCAPS process and system dynamics model*. Increasing resilience of fishing communities in a changing climate workshop, National Marine Fisheries Service, Silver Spring, MD, 3-5 May, 2016.
- Tuler, S. 2015. *A community-based approach to planning for the effects of climate change on shellfishing in Wellfleet Harbor*. 3RD Annual Cape Coastal Conference, Hyannis, MA, December 10, 2015.
- Tuler, S. 2015. *A community-based approach to planning for the effects of climate change on shellfishing in Wellfleet Harbor*, State of Wellfleet Harbor Conference,

- Wellfleet, MA, November 7, 2015.
- Tuler, S. and Whitehead, J. 2013 (December). *Helping Coastal Communities Strategize Adaptations to Climate Change: How to Implement a Structured Dialogue Using an Interactive Diagramming Program*, Invited Workshop leader, supported by North Carolina Sea Grant. NOAA Beaufort Lab, Pivers Island, Beaufort, NC, December 10-11, 2013.
- Tuler, S. and Webler, T. 2013 (November). *Integrating climate change adaptation planning and hazard mitigation planning in coastal Massachusetts*, Invited workshop, Northeast Regional Sea Grant Biennial Meeting, New Bedford, MA, 22 November, 2013.
- Webler, T. and Tuler, S. 2013 (November). *Project Overview: A Working Group on Climate Change and Shellfish in Wellfleet Harbor: Anticipating impacts, reducing threats, and increasing resilience*. Invited Poster Presentation, Wellfleet State of the Harbor, Wellfleet, MA.
- Tuler, S. 2013 (November). *Supporting Local climate change adaptation planning: Integrating Local and Scientific Expertise*, Invited Presentation, Department of Environment and Natural Resources, Mahidol University, Bangkok, Thailand.
- Tuler, S., Webler, T., and Rhoades, J. (October) 2013. *Mapping the risk decision landscape: Climate stressors on public health and shellfish in Wellfleet (Cape Cod), Massachusetts*. Invited presentation at the Research Workshop on Marine Health & Risk Communication, Santa Barbara, California, October 12-14, 2013. Workshop convened under the auspices of the NSF-funded Research Coordination Network on Evaluating the Impacts of a Changing Ocean on Management and Ecology of Infectious Marine Disease with the support of funding from Cornell University's Institute for Social Sciences.
- Tuler, S. 2013. *Integrating climate change adaptation planning and hazard mitigation planning in coastal Massachusetts*, Invited presentation to grantees workshop, Adapting to Change in Marine Ecosystems - A Stakeholder Science Forum, MIT Sea Grant. (see http://seagrant.mit.edu/press_releases.php?ID=416).
- Tuler, S., Webler, T., and Whitehead, J. 2012. *Climate-Ready States and Cites Initiative (CRSCI) webinar* on public health, climate change, and the VCAPS tool, October 18th, 2012.
- Tuler, S. and Whitehead, J. 2012. Invited presentation at the session on Considering Climate in Decision Support for Resilient Coastal Communities at the *Southeast and Caribbean Climate Outreach Community of Practice meeting*, June 12-14, 2012, in Jacksonville, FL.
- Tuler, S. 2012. Invited presentation at the Climate Adaptation Training for Local Governments in Southeastern Massachusetts Workshop, Waquoit National Estuary Reserve, Waquoit, MA, 24-26, April, 2012 (see www.waquoitbayreserve.org/eventshow.aspx?eventid=337 for more information)
- Tuler, S. 2012. *Mississippi-Alabama Sea Grant Consortium webinar*, Helping Coastal

- Communities Strategize Adaptations to Climate Change: How to Implement a Structured Dialogue Using an Interactive Diagramming Program. March 1st, 2012.
- Tuler, S. 2012. *Improving Understandings of Consequences, Vulnerabilities, and Adaptation Strategies to Climate Change Related Hazards*, Invited presentation to grantees workshop, MIT Sea Grant. (see http://seagrant.mit.edu/press_releases.php?ID=292).
- Tuler, S. 2012. *Risk communication in flood emergencies*. Invited presentation. Ministry of Natural Resources and the Environment, Bangkok, Thailand, 23 January, 2012.
- Tuler, S. 2011. Invited panelist for the *Consent-Based Radioactive Waste Siting Process: Finding a Better Path Forward*. Public Hearing of the Blue Ribbon Commission on America's Nuclear Future, 12 October 2011.
- Tuler, S. and Whitehead, J. 2011. *Helping Coastal Communities Strategize Adaptations to Climate Change: How to Implement a Structured Dialogue Using an Interactive Diagramming Program*. Training Workshop at the Coastal Zone 2011 meeting, Chicago, IL 17 July 2011.
- Tuler, S. 2011. Invited presentation at the Gulf of Mexico Sea Grant Climate Outreach Community of Practice Workshop, Biloxi, MS, 1-2 June 2011.
- Tuler, S., Kettle, N., Dow, K., Whitehead, J., Webler, T., Miller, K. 2011. *Integration of Local Planners' and Scientists' Knowledge of Consequences, Vulnerabilities, and Adaptation Strategies to Climate Change Related Hazards*. Invited poster presentation for the *2011 Land Grant and Sea Grant National Water Conference*, Washington, DC, 31 Jan.- 1 Feb.
- Tuler, S., Kettle, N., Dow, K., Whitehead, J., Webler, T., Miller, K. 2011. *Integration of Local Planners' and Scientists' Knowledge of Consequences, Vulnerabilities, and Adaptation Strategies to Climate Change Related Hazards*. Invited presentation, Interdisciplinary and Global Studies Division Seminar Series, Worcester Polytechnic Institute, Worcester, MA. 22 November, 2011.
- Tuler, S. 2009. *Lessons from the past: Addressing facility siting controversies*. Invited presentation to the Workshop on Addressing the Challenges of Climate Change Through the Behavioral and Social Sciences, Committee on Human Dimensions of Global Environmental Change, National Research Council, December 3-4, 2009.
- Tuler, S., Webler, T., Lord, F. 2009. *Characterizing social disruption from oil spills and spill response*. Invited presentation Clean Gulf 2009 Pre-Conference Workshop: Applied Research for the Spill Response Community, New Orleans, LA, October.
- Tuler, S. 2009. *Planning effective communication about public health risks: The need for participation*. Invited presentation to the Faculty of Public Health, Thammasat University, Pahtumthani, Thailand, 30 March and 24 September.
- Tuler, S. 2009. *Effective risk communication: Challenges and a framework for planning*. Invited presentation to the Petroleum Institute of Thailand, Bangkok, Thailand, 3 April.

- Tuler, S. 2009. *Planning effective risk communication*. Invited presentation to a Workshop sponsored by the Ministry of Public Health, Department of Disease Control and Prevention in Rayong Province, Rayong, Thailand, 25 March.
- Tuler, S. and Chess, C. 2009. *Planning effective communication*. Invited presentation to the Pollution Control Department, Bangkok, Thailand, 19 March.
- Tuler, S. and Webler, T. 2008. *Competing perspectives about oil spill response objectives: A comparison of stakeholders' views in four regions*. Invited presentation for the Clean Gulf 2008 Pre-Conference Workshop: Applied Research for the Spill Response Community, San Antonio, TX, 28 October.
- Tuler, S. and Webler, T. 2007. Presentation to *Workshop on Getting the message out on Great Lakes restoration: Communicating with local communities on restoring Michigan's Great Lakes Areas of Concern*. Whitehall, MI, 9 November.
- Tuler, S. and Santos, S. 2007. *Three evaluative tools to empower local communities in the environmental clean-up of sediment contaminated sites: Project Overview, Q Method, Focus Groups, and Comparative Analysis*. Presentation sponsored by Office of Public Affairs, EPA Region 5, Chicago, IL, 19 September.
- Tuler, S. 2007. *Establishing performance metrics for oil spill response, recovery, and restoration*. Paper presented at the Coastal Response Research Center PI Symposium, NOAA, Seattle, WA, 19 April.
www.crrc.unh.edu/workshops/2007symposium/index.htm.
- Tuler, S., Agyeman, J. 2006. *Developing methods to identify and characterize vulnerable populations in northeast marine fisheries communities*. Paper presented at the Northeast Fisheries Science Center, Woods Hole, MA, 17 May.
- Tuler, S. and Seager, T. 2006. *Oil spill response assessment: Objectives and metrics*. Paper presented at the Coastal Response Research Center PI Symposium, University of New Hampshire, Durham, NH, 14 March.
- Tuler, S., Webler, T., Santos, S., Chess, C., and Danielson, S. 2005. *Three Evaluative Tools to Empower Local Communities in the Environmental Clean-up of Sediment Contaminated Sites: A Comparative Analysis*. Presentation to Office of Research and Development, Environmental Protection Agency, 11 May.
- Tuler, S. and Webler, T. 2004. *Public participation in environmental assessment and risk decision making*. Paper presented at the Northeast Fisheries Science Center, National Marine Fisheries Service, NOAA, Woods Hole, MA, 2 June.
- Tuler, S. and Webler, T. 2003. *Public participation and watershed planning: Defining "good" process*. Paper presented at the Northwest Fisheries Science Center and the Center for Water and Watershed Studies, National Marine Fisheries Service, NOAA, Seattle, WA, 30 January.
- Webler, T. and Tuler, S. 2003. *Employing Q Methodology to the Study of Public Participation: Results from Recent Research*. Clark University, Worcester, MA.

Tuler, S., Webler, T., Finson, R., and Tanguay, J. 2002. *Perspectives on Public Participation at a Department of Energy Nuclear Weapons Facility: Addressing health risks from sewage sludge contaminated with plutonium released by Lawrence Livermore National Laboratory (CA)*. Paper presented to the Sludge Working Group (Lawrence Livermore National Laboratory) Workshop, Oakland, CA, 26 January, 2002.

Conference presentations

Bearth, A. and Tuler, S. (2023). *Social Amplification and Attenuation: The Role of Trust and Expectations*. Paper presented as part of the Symposium: Updating the Social Amplification of Risk Framework for Risk Science and Practice in the 21st century, *Annual Meeting of the Society for Risk Analysis*, 10-14 December.

Charles J. Vörösmarty, Jerry M. Melillo, Donald J. Wuebbles, Atul K. Jain, Amy W. Ando, Mengye Chen, Seth Tuler, Richard Smith¹⁰, David Kicklighter, Fabio Corsi, Balazs Fekete, Ariel Miara, Hussain Bokhari, Tzu-Shun Lin, Nico Maxfield, Sanyal Swarnali, Jiaqi Zhang, Ehsan Najafi, 2022. A Framework to Study Climate-induced Extremes on the Food, Energy, Water Nexus and the Role of Engineered and Natural Infrastructure. American Geophysical Union Annual meeting, Session #159035- Impacts and Policies of Climate Change on Global Water and Food Security, Dec. 2022.

Tuler, S. and Webler, T. 2021. *What's a consent based process for locating nuclear waste facilities? A comparison of stakeholder perspectives*, *Society for Risk Analysis Annual Meeting*, Dec. 2021.

Hansen, R., Tuler, S., Vörösmarty, C., Najafi, E., Melillo, J., Wuebbles, D. 2021. *Analyzing Stakeholder Engagement in the CFEWS (Climate-induced extremes on the linked Food, Energy, Water System) Research Framework*, Poster presentation American Geophysical Union Annual Meeting, Dec. 2021.

Vorösmarty, C., Najafi, E., Melillo, J., Wuebbles, D., Jain, A., Ando, A., Tuler, S., Kicklighter, D., and Smith, R. 2021. *Climate-induced Extremes on the Food, Energy, Water Nexus (C-FEWS) and the Role of Engineered and Natural Infrastructure*, Poster presentation American Geophysical Union Annual Meeting, Dec. 2021.

Bokhari, Hussain Haider, Najafi, E., Dawidowicz, J., Wuchen, L., Maxfield, N., Vörösmarty, C., Fekete, B., Corsi, F., Sanyal, S., Lin, T-S., Miara, A. and Tuler, S. 2021. *Reduced Complexity Modeling of Linked Hydrological, Thermal Pollution, and Nitrogen Transportation Dynamics: A Regional Case Study for the Delaware River Basin*, Poster presentation American Geophysical Union Annual Meeting, Dec. 2021.

Bokhari, Hussain Haider, Ehsan Najafi, Jorin Dawidowicz, Liushan Wuchen, Nicolas Maxfield, Charles J. Vörösmarty, Ariel Miara, and Seth Tuler 2020. *Reduced Complexity Modeling of Linked Hydrological, Thermal Pollution, and Nitrogen Transportation Dynamics at the Regional Scale Using STELLA*, American Geophysical Union Annual Meeting, 1-17 Dec. 2020.

- Tuler, S. and Webler, T. 2020. *Re-thinking the principle of consent in US nuclear waste management*, Society for Risk Analysis Annual Meeting, Dec. 2020.
- McCauley, S. and Tuler, S. 2019. *A Community Science Campaign to Map Extreme Heat Locations in Worcester, Massachusetts*. Poster presentation, Massachusetts Ecosystem Climate Adaptation Network, 29 October, 2019.
- Dow, K. and Tuler, S. 2015. Fostering and evaluating learning in participatory adaptation processes, *National Adaptation Forum*, St. Louis, MO, 2015.

- Tuler, S., Kasperson, R. E., and Ratick, S. 1988. The effects of human reliability on risk in the transport of spent nuclear fuel. Paper presented at *Society for Risk Analysis Annual Meeting*, Washington, DC, Nov.
- Tuler, S. and Hattis, D. 1986. Carcinogenesis risk assessment of two-carbon alkylating agents using dynamic simulation of absorption and metabolism. Paper presented at *Society for Risk Analysis Annual Meeting*, Boston, MA, Oct.

CONSULTANTSHIP

- Sept – Nov. 2022: Consultant. Design and implementation of stakeholder feedback workshops on Casco Bay Circulation Modeling Project for the Casco Bay National Estuary Project (with Resilience Works, LLC.)
- Sept. 2017 – March 2018: Consultant. Assessment of 17 VCAPS processes for climate change adaptation planning and hazard management for Carolinas Integrated Sciences and Assessments (CISA), University of South Carolina.
- Aug. 2015 – 2017. Consultant. Provide advice and write review papers for the Office of Nuclear Energy, Department of Energy on design of a consent-based siting process for commercial spent nuclear fuel and defense high level waste.
- Oct. – Dec. 2012. Consultant. Organize and facilitate workshop with local officials about climate change impacts and adaptation strategies. Project sponsored by the City of Dauphin Island, Alabama and Dauphin Island Sea Lab/Mobile Bay National Estuary Program.
- June 2012. Consultant. Organize and facilitate workshop with local officials about climate change impacts and adaptation strategies. City of Orange Beach, Alabama and Alabama – Mississippi Sea Grant.
- Jan. 2011 – Mar. 2012. Consultant. Alliance for Nuclear Accountability, Santa Fe, NM. Research and preparation of outreach materials on future use of federal facilities, with a focus on the linkages between clean-up decision making and future use planning.
- Sept. 2010 – June 2011. Consultant. President Obama’s Blue Ribbon Commission on America’s Nuclear Future. Co-authored two commissioned technical reports on *Social distrust: implications and recommendation for spent nuclear fuel and high level radioactive waste management* (with Roger Kasperson) and *Options for Developing Public and Stakeholder Engagement for the Storage and Management of Spent Nuclear Fuel (SNF) and High Level Waste (HLW) in the United States* (with Thomas Webler and Eugene Rosa).
- April 2001 – Feb. 2005. Consultant. Committee on Public Participation in Environmental Assessment and Decision-Making, National Research Council,

Washington, DC. Support the study director and committee on work related to public participation in environmental decision-making, including two workshops and a literature review. The Committee is sponsoring a study on public participation experiences of federal agencies. The Committee (and Tuler's work) began as part of the NAS Committee on Human Dimensions of Global Change.

Jan. 1994 - May 1996. Consultant. Small group facilitator, Northern Forest Dialogue Project and Maine Forest Biodiversity Project. Lead small group discussions on various topics during meetings of the Northern Forest Dialogue Project (Feb. 1994) and the Maine Forest Biodiversity Project (May and Nov. 1995, May 1996). In addition, conducted an evaluation for the planners and Steering Committee of the first Northern Forest Dialogue Project meeting.

May 1994 - Sept. 1994. Consultant. Center for Technology Assessment in Baden-Wurttemberg (Germany). Participated in study of expert perceptions on sustainability and evaluation of workshop as part of the ongoing project "Qualitative Growth as a Prerequisite for Sustainable Development in Baden-Wurttemberg."

Sept. 1988 - March 1992. Consultant. Human Factors Unit, Four Elements, Ltd., London, UK. Reviewed system design requirements for nuclear power control room operator training programs in Great Britain. Emphasis was on developing a model of operator decision making in unfamiliar and emergency situations and the special training needs for team performance. A report was prepared for the UK Health and Safety Executive. Reviewed research needs in human factors in high risk industries. Review of state-of-the-art research programs in the US with emphasis on human factors issues in commercial nuclear power plants. Reviewed and evaluated public responses to warning systems during nuclear power plant emergencies. Emphasis was placed on the effectiveness of warning sirens and sheltering as an alternative to evacuation. Developed a risk communication guidebook for clients in the petrochemical industry. Emphasis was placed on plant manager interactions with the public and news media.

MEMBERSHIPS, OFFICES, AND BOARDS

Social and Environmental Research Institute, Inc., Board of Directors (1995 – present)

Education Center for Lao Youth, Board of Directors and Treasurer (2018 – present)

Society for Human Ecology, At-Large Board member (2004 – 2009), Treasurer (1997-2004)

Alliance for Nuclear Accountability, Board of Directors, 2005 – 2009, 2012 – 2014.

Leverett Village Market Coop, Board of Directors, 2008 – 2014.

American Society for Adaptation Professionals

Citizen Science Association

EDITORIAL AND REFEREE ACTIVITIES

Program and Proposal Review Committee. Community Involvement Fund
(Administered by the New Mexico Community Foundation), 2010 – 2014.

Research proposals reviewed for:

Community Involvement Fund
Delaware Sea Grant
Educational Foundation of America
Environmental Protection Agency
National Science Foundation
New Hampshire Sea Grant
NOAA Center for Sponsored Coastal Ocean Research
Woods Hole Sea Grant

Papers reviewed for:

BioScience
Critical Policy Studies
Ecology and Society
EIA Review
Environmental Communication
Environmental Conservation
Environmental Justice
Fisheries
Human Ecology Review
International Journal of Disaster Risk Reduction
Journal of Coastal Management
Journal of Environmental Management
Journal of Environmental Planning and Management
Journal of Policy Studies
Journal of Risk Research
Journal of the American Water Resources Association
Local Environment
Ocean and Coastal Management
Policy Studies Journal
Research in Social Problems and Public Policy
Risk Analysis: An International Journal
Society and Natural Resources
Sociological Spectrum
Weather, Climate, and Society

HONORS, AWARDS, AND OTHER RECOGNITION RELATED TO SCHOLARSHIP

Alliance for Nuclear Accountability Grassroots Award for promoting public involvement in clean-up of nuclear weapons sites, 2008.

William L. Stewart, Jr. Award for Outstanding Contributions to Extracurricular Life at the Massachusetts Institute of Technology, 1986.

Award for Excellence and Leadership in Technology and Policy, Massachusetts Institute of Technology, 1986.

SERVICE

Profession

Society for Risk Analysis Dec. 2021 Annual Meeting Plenary session planner and facilitator. Plenary Session in memory of Prof. Roger Kasperson.
<https://www.sra.org/december-9-at-12pm-est-plenary-session-in-the-memory-of-prof-roger-kasperson/>

National Academies of Sciences, Engineering, and Medicine's Committee on Alternatives for the Demilitarization of Conventional Munitions (2017 – 2018).

National Academies of Sciences, Engineering, and Medicine's Standing Committee on Chemical Demilitarization (2016 – 2018).

National Academies of Sciences, Engineering, and Medicine's Committee on Review of Criteria for Successful Treatment of Hydrolysate at PCAPP and BGCAPP, member, 2015.

National Center for Environmental Research, Standing Subcommittee, Environmental Protection Agency Board of Scientific Counselors, member, 2007 – 2010.

National Academies of Sciences Committee on Transportation of High Level Radioactive Waste and Spent Nuclear Fuel, member, 2003 – 2006.

Federal Advisory Committee on Energy-Related Epidemiologic Research, Member and Chair of the Subcommittee for Community Affairs, April 1999 – April 2002.

National Cancer Institute – Centers for Disease Control and Prevention, Communications Development Group (CDG) to provide input and guidance for public health programs and research concerning the public health impacts of I-131 exposure from the Nevada Test Site (NTS), 1999-2001.

Ad Hoc Working Group of the National Cancer Institute on Radio-Epidemiological Tables, Member, 1998-99.

Department and university

Global Lab Co-Director, Worcester Polytechnic Institute, Worcester, MA, August 2021 – present.

Co-Director of the Boston Project Center, Interdisciplinary and Global Studies Division, Worcester Polytechnic Institute, Worcester, MA. 2012 – present.

DIGS Collaboration for a Better World Speaker Series Planning Committee member, January 2021 – present.

WPI Subcommittee on AI Infrastructure needs. Worcester Polytechnic Institute, Worcester, MA, Jan.– April, 2024.

Global School, IQP Report Assessment, Worcester Polytechnic Institute, Worcester, MA, Dec. 2022 – Jan. 2023

Department of Integrative and Global Studies Faculty Search Committee, Worcester Polytechnic Institute, Worcester, MA, Dec. 2022 – Mar. 2023.

Department of Integrative and Global Studies Curriculum Committee, Worcester Polytechnic Institute, Worcester, MA, Summer 2019 – 2021.

Department of Integrative and Global Studies TRT Faculty Search Committee, Worcester Polytechnic Institute, Worcester, MA, March 2021 – June 2021.

WPI Faculty Governance Task Force on the Status of NTT Faculty, Appointed by Secretary of the Faculty, 2018 – 2019.

Global School Curriculum Committee, Worcester Polytechnic Institute, Worcester, MA, Summer 2019 – 2021.

Co-Director of the Bangkok Project Center, Interdisciplinary and Global Studies Division, Worcester Polytechnic Institute, Worcester, MA, 2011 – 2018.

WPI IQP Assessment (led by Kent Rissmiller), 2013, 2016.

WPI Global and Multicultural Competency Learning Outcome Taskforce (GMCLOT), Summer 2017.
