BS/MS, MS, and PhD Information Session

Join us for an informative session on the BS/MS, MS and PhD programs

- Discover the benefits of our programs and receive valuable advice
- Learn about courses that satisfy both both BS and MS degree requirements.
- Find out how you can complete the combined BS/MS program in 5 years or less
- Hear about current research by our AE Faculty
- Explore Research opportunities available to you.

Don't miss out on an opportunity to learn about this exciting program

Pizza and Refreshment will be available | [Registration Here>>>>](#)
