If you have a lab order from a medical provider at home and you need assistance with how to get those labs collected, you have the following two options.

- 1.) You can go directly to a Quest Diagnostics lab with your medical provider's lab order; the ordering provider will receive the results directly from Quest Diagnostics.

Here is a list of local Quest Diagnostic Labs with their distances from WPI Student Health Services:

- 1.3 miles:
  - Quest Diagnostics Worcester, Lower Level, 100 Martin Luther King Jr Blvd, Worcester, MA 01608

- 2.) WPI Student Health Services (SHS) can collect the specimens needed at our office in Daniels Hall and send them to Quest Diagnostics.
