BIOLOGY FOUNDATION (5/3 unit) Courses with prefix: BB

Biology must include 1/3 unit foundational biology courses for life science majors (BB 1101 or BB 1102), 1/3 unit cell biology or genetics, and 1/3 total units BB 2000-level laboratory (one 1/3 unit [preferred] or two 1/6 unit labs). The remaining 2/3 units may be BB lecture (non-laboratory) courses chosen from the Biology Foundation list in the course catalog, or any BB lecture course at the 3000 level or higher.

Note 1: Students must complete at least 4/3 units of courses at the 4000 level for the BCB major overall.

Note 2: No course may be used to fulfill two requirements. For instance, BCB 4001 may fulfill the BCB requirement or the Advanced Elective requirement, but not both.

Note 3: Students may not receive credit for both BCB 4001 and BCB 501. Students may not receive credit for both BCB 4004 and BCB 504.
