WPI

Student Name: _____

(last)   (first)   (middle)

Email_____ Student ID Number _____ Full Time___ Part Time ___

This degree requires a minimum of 30 credit hours.

Note for WPI BS/MS Students: Please delineate any courses you are double counting and also fill out the required Bachelor's and Master's Degree Course Designation Form that can be found on the forms section of the Registrar webpage. When completing your plan of study, make sure to submit your undergraduate tracking sheet, registrar course designation form, as well as this plan of study to be reviewed by your advisor and the graduate program committee. In general, you may double count up to 4 courses towards both degrees. However, only one required MA course for your major may be double counted; for MA majors, this is one course in the 22/3 required units of MA courses. Only 3 undergraduate courses at the 4000-level with grades of B or better may be eligible to double count.

CORE COURSES (12 credits)
Must include MA 500* and MA 510. Two other courses from MA 502, MA 508, MA 530, and/or MA 540 can be chosen. For students that have taken a rigorous analysis course (at the level of MA 3831 / MA 3832 at WPI) are suggested to substitute MA 500 with MA 503, MA 505, or MA 528.

Double Counting	Course No.	Course Title	Semester/Year	Credit	Grade

MODULE OF INTEREST (12 credits)
Must be an advisor approved combination of 6 credits of coursework in Mathematical Sciences and 6 credits of coursework from a graduate program outside of Mathematical Sciences. Up to 6 credits of upper-level undergraduate courses may be taken for graduate credit with approval.

Double Counting	Course No.	Course Title	Semester/Year	Credit	Grade

ELECTIVE (3 credits)
Graduate courses in Mathematical Sciences.

Double Counting	Course No.	Course Title	Semester/Year	Credit	Grade

CAPSTONE EXPERIENCE (3 credits)
Choice of master's project on a problem originating from industry or an internship (needs approval).

Double Counting	Course No.	Course Title	Semester/Year	Credit	Grade

SEMINAR (0 credits)
Registration two times for the Professional Master's Seminars, MA 562, is required.

Double Counting	Course No.	Course Title	Semester/Year	Credit	Grade

Approvals: *Advisor* _____ *Date* _____ *Approve*____ *Disapprove*____

Mathematical Sciences Graduate Program Committee Approval: (for approval, send the completed form to gr-ma-gradcom-prog@wpi.edu)

Committee Chair_____ Date _____ Approve____ Disapprove____

Program Modification

If you have added or deleted any courses from the original plan of study, please indicate here. Changes require the advisor's signature.
