ROBERT NOYCE SCHOLARSHIP

Do you see yourself as a change agent for equitable and inclusive K-12 education? Want to make a difference to K-12 students & communities by teaching in a high-need school? Would you like to join a nationwide community of educators passionate about STEM teaching? Consider applying for the Noyce Scholarship at WPI!

FOR 3rd AND 4th YEAR TEACHER PREP STUDENTS IN A STEM FIELD

- Up to \$10k/semester (or \$20k/year) towards tuition at WPI
- Commitment to teach* in a high-need school district for 1 year for every semester of receiving Noyce scholarship (within 8 years of graduation)

1 semester of scholarship = 1 year teaching*

As a Noyce Scholar, you would gain national recognition and join a large, supportive community of Noyce scholars! In addition, you would continue to receive support as new teacher (as a Noyce Practitioner) through the STEM Education Center at WPI.
