Please submit by **August 1, 2026**

Your 2026-2027 Free Application for Federal Student Aid (FAFSA) was selected by the federal processor for review in a process called verification. The law says that before providing federal student aid, we must ask you to confirm the information you and your parents reported on your FAFSA. To verify the information you provided, please complete the questions below and include parent(s) and student signatures. Email, mail, drop off, or fax the form to the Office of Financial Aid within 4 weeks of your receipt of this letter. Failure to respond will result in our inability to disburse federal aid. If corrections need to be made to your FAFSA, the Office of Financial Aid will submit the changes on your behalf and will notify you of any changes by mail or email.

Student Income Information

Students who **filed** or **will file** a 2024 IRS income tax return were required to consent and approve the sharing of tax information from the IRS to the FAFSA form. In most cases, no further documentation is needed to verify 2024 income information that was transferred into the student’s FAFSA directly from the IRS.

If 2024 income tax return information for the student was not available or could not be used, the student should provide the institution with a 2024 IRS Tax Return Transcript(s) or a signed copy of the 2024 1040 income tax return with schedules 1 and 3 (if applicable).

Please select the one that applies:

I did not and was not required to file a 2024 tax return, but I earned income in 2024. I will complete the chart below with my 2024 earnings and send a copy of my 2024 W-2s to the Office of Financial Aid marked with my WPI ID.

Parent Income Information

Parent(s) who **filed** or **will file** a 2024 IRS income tax return were required to consent and approve the sharing of tax information from the IRS to the FAFSA form. If parents filed separate 2024 IRS income tax returns, both must provide consent and approval to share and import income and tax information from the IRS. In most cases, no further documentation is needed to verify 2024 income information that was transferred into the student’s FAFSA directly from the IRS.

Please contact the Office of Financial Aid if parents had a change in marital status after December 31, 2024.

If 2024 income tax return information for the parent(s) were not available or could not be used, the parent(s) should provide the institution with a 2024 IRS Tax Return Transcript(s) or a signed copy of the 2024 1040 income tax return with schedules 1 and 3 (if applicable).
