Each MWCC associate degree provides ideas for what major you could pursue at WPI on the following pages.

Checkmarks (✓) denote that the course will count towards the specified degree's requirement.
Final review and confirmation that a course will fulfill a degree requirement is based on the degree requirements within the undergraduate catalog at the time of matriculation to WPI.

More Electives courses may be equivalent to a WPI course but have not been evaluated.

Please review the WPI Undergraduate Catalog for more information <https://wpi.cleancatalog.net/>

§ Must pass (with a B- or better) MAT 163 or MAT 211 (or higher-level calculus) for the transfer agreement. If you already have a pre-calculus or calculus course or higher (with a B- or better), BUS 201 or FIN 101 would count towards the Business degree at WPI.

Note that the WPI Business degree is an accredited program. Therefore, transfer credit related to business disciplines is limited to less than half of the WPI Business degree program requirements. After transferring to WPI, your faculty advisor in the School of Business will help you navigate this to meet the degree and accreditation requirements.
