2. K Saeed will serve as secretary for A-18.
3. A query from K Saeed about the process for creating a new undergraduate certificate was discussed. CAP should first be contacted about creating undergraduate certificates because certificates do not exist for undergraduates. Once certificates are in existence, a motion then should be brought to CAO for consideration of the content of a specific certificate.
4. CS major motion to include RBE3100 in the distribution requirement: Approved.
5. BB motion to drop BB4550 and BB4065: Approved. Programs listing the dropped courses as electives to be notified.

Meeting adjourned at 11:25 am

Respectfully submitted,
Khalid Saeed (SSPS)
CAO, Secretary
