1. Meeting started at 02:00 pm.
2. Meeting minutes for Meeting #7 AY2021-2022 were reviewed and approved with minor revisions.
3. CAP received two recommendations from the Mental Health and Well-being Task Force.
  - a. Recommendation 1: Implementing a "Pass"/"NR" policy, similar to the policy put in place during D-term and E-term 2020, to help students manage their stress levels.
  - b. Recommendation 2: Suspending downgrading students' academic standing at the end of the fall semester.
4. CAP Discussed Recommendation 1:
  - a. In the past week, the student representatives of CAP asked the WPI student their opinions on a new "Pass"/"NR" policy. The responses they got were as follows:
    - i. The majority of the students think that such a policy would be great to have, but in moderation. For example, the number of "Pass" grades should be limited.
    - ii. The majority of the students support a permanent "Pass"/"NR" policy.
    - iii. Some students worry that an aggressive "Pass"/"NR" policy might degrade the value of their degree.
    - iv. Some students think that the challenges are an essential and necessary part of pursuing a degree at WPI. They acknowledge that getting their degrees is difficult and they want to take it on.
  - b. CAP recognizes that a new "Pass"/"NR" policy can indeed be instrumental to help students manage their stress levels.
  - c. CAP recognizes that other universities and institutions have similar "Pass"/"NR" policies, but the implementation varies.
    - i. Some institutions allow the students see their grade before converting it to "Pass"/"NR". Some institutions only allow a "Pass"/"NR" decision during the add/drop period.

- ii. Almost all institutions have a limit on the number of “Pass”/”NR” the students can use.
  - d. CAP discussed a possible policy that
    - i. the students should be able to see their grades before deciding on a “Pass” or an “NR”. Otherwise, the policy might even cause more stress.
    - ii. should allow a limited number of “Pass”/”NR” the students should use. There can be a limit per semester or per academic year.
    - iii. can be implemented for a limited time period, and needs to be re-visited at the end of the academic year.
- 5. CAP discussed the motion draft of the posthumous degree policy.
- 6. CAP received an invitation to join the upcoming CITP meeting. CAP Chair O. Pavlov will join to the meeting.
- 7. Meeting adjourned at 2:53 pm.

Respectfully submitted,

Berk Calli
