1. Minutes from Meeting #3 on 9-24-2021 approved to be distributed to the faculty.
2. CAP discussed a current exceptional petition case to change a CDR grade for an IQP project. While CAP reaffirms the policy that faculty cannot change a CDR grade without a petition to CAO, CAP affirms that the Faculty Review Committee (FRC) has the final authority to review the petition and change the CDR grade if the FRC deems it appropriate.
3. Meeting adjourned at 9:54 am.

Respectfully submitted,
Adrienne Hall-Phillips
A-term Secretary
