

Mail Services is pleased to announce the release of a package pickup application. This new app will allow students to see a detailed view of packages waiting to be retrieved from Mail Services. Along with the visibility to see stored packages, students will be able to open package lockers via pushing a button from the app, bypassing the kiosk.

**App is available for iOS and & Android**

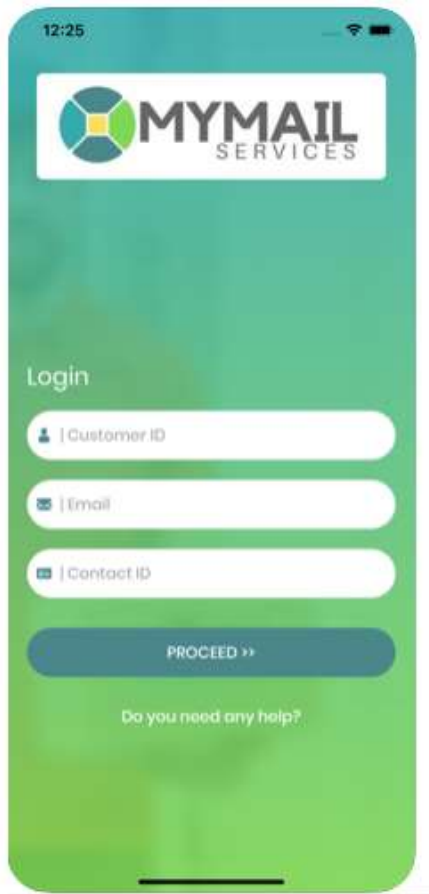

MyMailServices

**iOS:** <https://apps.apple.com/us/app/mymailservices/id1498575768>
