Seeds of STEM: A Problem-based STEM Curriculum for Preschool Classrooms

- **Target Audience:** Pre-school teachers and administrators
- **Dates:** July 21 & 22 from 8:30-3:00
- **Registration Fee:**
  - $300 with a classroom kit (curriculum binder, color images, and Panda)
  - $180 without classroom kit
- **PDPs/CEUs:** 12/1.2

**Description:** Seeds of STEM is a research-based curriculum tested in more than 40 classrooms with great results. The interactive PD will introduce preschool teachers and administrators to the problem-solving process and to all 8 units of the curriculum.

**Registration** is NOW OPEN!
