CENTER FOR GLOBAL PUBLIC SAFETY

2nd Annual Symposium
September 17, 2018

CENTER FOR GLOBAL PUBLIC SAFETY

CGPS Five Year Growth Strategy

Center for Global Public Safety

Disasters by their nature are complex interdisciplinary problems that cut across jurisdictional and geographic boundaries.

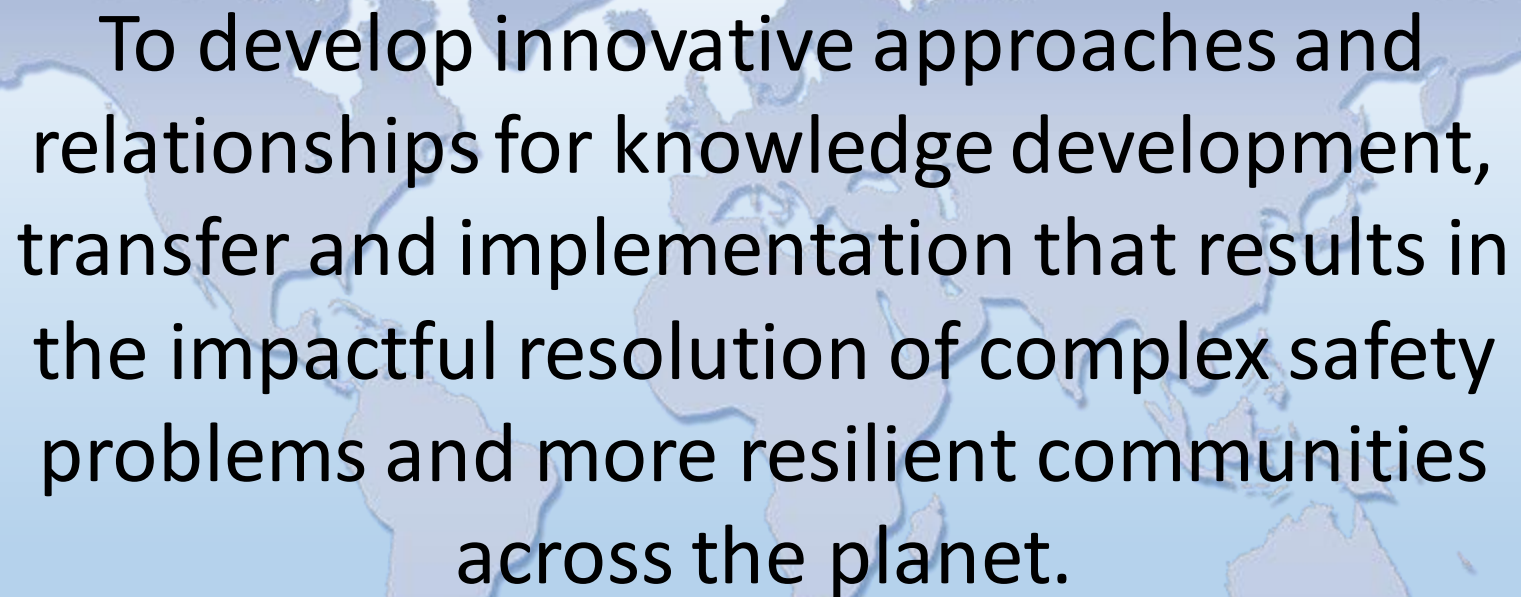

Vision: A Global Leader in Creating a More Resilient World

Initially focusing on:

Center for Global Public Safety

To develop innovative approaches and relationships for knowledge development, transfer and implementation that results in the impactful resolution of complex safety problems and more resilient communities across the planet.

CGPS Five Year Growth Strategy
